Memorial High School

WEST NEW YORK
NEW JERSEY

Foreword

THIS book does not intend to be profound; it intends to be merely a memoir. Let us look occasionally through the pages, and recall the happy memories recorded within them.

Dedication

DURING our four years in high school, we have learned in the American way.

We have been taught by friendly and understanding teachers; we have had our social life—school dances, sports events, picnics; we have formed many friendships.

We have learned to work together and to play together; we have learned to win well and to lose well; we have learned to receive help and to give help.

To this "American Way of Life," its liberties and its duties, passed down to us as our heritage, we, the Class of January 1948, gratefully and proudly dedicate this, our yearbook.

R. P. I. Medal

THE R. P. I. Medal, which was first presented to a student of this school in June 1938, is given by Rensselaer Polytechnic Institute. This medal is awarded to the graduating male student who has accomplished outstanding work in both Math and Science during his four years at Memorial.

This term the medal will be awarded to one of the following:

Lawrence Costantino
David Levy
James Lynch
William Schiemann
Josef Wilkes

Bausch and Lomb Science Medal

AT EVERY graduation exercises, the student who has achieved the highest scholastic record in science subjects during his or her high school course receives the Bausch and Lomb Honorary Science Award Medal.

The winner of the award is also eligible to compete for one of the five annual Bausch and Lomb Science Scholarships, of $1,500 each, at the University of Rochester.

With science assuming greater and greater importance in our civilization, the encouragement to pursue scientific careers by means of awards and scholarships, is to be highly commended, and winning the Science Award Medal is, in itself, "a significant indication of scientific aptitude."

Discussion Club

THE Discussion Club, whose purpose is to encourage discussion and thinking on current political and economic questions, was re-established in February 1945 by Mr. Max Cohen, its present faculty adviser. In addition to giving the members the opportunity of learning how to think clearly, it also enables them to obtain experience in speaking before an audience.

The club has helped many students to gain self confidence and poise in their speaking.

THIS imposing title in reality only means the Memorial Debating Team, which happens to be one of the oldest clubs in Memorial High School.

The Debating Team, whose objective is to represent Memorial High School in all debates, or at vocal contests and radio programs, has brought much acclaim to our school.

Re-established in September '45, this club, in addition to participating in various school debates, has also proved itself to be outstanding in such functions as the Junior Town Meeting of the Air, The American Legion, and Knights of Pythias oratorical contests, and various poetry reading contests.

This team offers a fond farewell to Thelma Cordon, Thelma Temple, and Tobia Unger.

THE Mathematical Nuts, facetious as the name may be, is an organization which has such purposes as stimulating curiosity in Math, helping people desirous of learning Math, and bringing credit to the organization by developing social responsibility among its members.

In reviewing the past of this club, we find great proof of the outstanding work that has been accomplished since its inception in April 1937. Besides contributing substantial amounts of money to the Red Cross, and making packages for our soldiers, this organization purchased a transit, a projector, numerous rolls of Math films and a large slide rule for our Math Department.

In order to get this half credit a term each member has to be active in one of the committees of the club, on the tutoring staff, in field work, or in the social committee.

This interesting and enjoyable club could not have progressed so far had it not been for the efforts of their loyal and interested faculty adviser, Miss Bertha Godfrey.

Chess Club

THE kings, queens, knights, bishops, pawns, and rooks are all set up in their accustomed places. Two eager faces thoughtfully study the board. The chess game begins.

Under the excellent guidance of their adviser, Mr. L. Truncellito, the Memorial High School Chess Club has become very popular, not only with the students, but also with the members of the faculty.

This organization from which its members derive much enjoyment, was started by the Mathematical Nuts in 1938. Since the club became an independent body, it has won second prize in the Hudson County Chess League.

"ONE of the outstanding dramatists of ancient Greece was Euripedes," a resonant voice can be heard saying through the open windows of Room 103. The voice belongs to Mrs. E. Giordan, faculty adviser of the Dramatic Club, and Room 103 is the meeting place every Monday of the followers of Thalia and Melpanene.

The Dramatic Club, established in February 1947, is already extremely active in school affairs, having assumed responsibility for several assembly programs this term.

Stimulating interest in drama, furthering dramatic ability, and improving the speaking manners of the students are some of the goals to which this club is aspiring.

With the efforts which are being put forth by the members and the faculty adviser, this organization promises to be one of the outstanding clubs of the school.

Visual Aid Staff

WOULD you like to see a movie? It may sound strange to hear such a question in school; however, since our school is equipped with projectors and many films suitable for use in our courses, it is not at all unusual to be greeted by such an interrogation.

The Visual Aid Staff, which was started in the spring of '45 by Mr. F. Tieger, has become not only educational but enjoyable as well to the members of our school.

The staff, which now consists of about twenty-five boys, learns how to operate the sound and silent projectors, and how to repair the film. A new member serves as an apprentice before he is permitted to take complete charge of a projector during any period.

This fairly new organization is rapidly gaining its place as a valuable aid to the faculty in presenting worthwhile material to the student body.

First Row: John McConnell, Alfred Trotola, William Spankel, Martin Samwick, Mr. Frederick Tieger, Joseph Golden, August Zolezi, Louis Visco.

Second Row: Joseph Talarico, Martin Banner, George McConnell, Sebastian Zuppichini, William Schroeder, Robert Stumpf, Robert Schwenk.

Back Row: David Rosenbluth, Ernest Wagenhauser, Donald Applebaum, Richard Steiner.

Faculty Adviser—Mr. Frederick Tieger.

Junior Red Cross

THE Junior Red Cross, with the aid of their most active faculty adviser, Miss Lucy Askam, has performed numerous services to humanity. Unfortunate people all over the world have received assistance, in time of need, from this helpful organization.

Since its establishment eight years ago, our chapter has done much for service and hospitalized children. Among its many achievements are the favors and scrapbooks made for near-by veterans hospitals.

The major reason for the success of our chapter of the Junior Red Cross is the splendid effort put forth by both the members and their adviser.

First Row, Seated: Gloria Neumann, Dorothy Doerr, Joan Grohskopf, Raymond Rolon, Henry Inglese, Theresa Miliano.

Second Row: Sylvia Risco, Ann Pisani, Joan Bennett, Ethel Wick, Constance Wagner.

Library Staff

"MISS BREWTON, what's a good book to make a report on?" a student's voice can be heard wailing through Miss Brewton's domain. This tells us that we are in the Memorial High School Library, which was opened in February, 1938, and has been a great benefit to both the students and faculty of our school. The library staff, under the leadership of Miss Brewton, has proved its capability to cope with the numerous problems that are presented in the library.

Miss Brewton gives her staff an extremely vigorous training program. When anyone is in need of information, he is sure to be helped in Memorial's excellent library.

MANY people who haven't had the opportunity of studying music can now indulge their love for this fine art by participating in the Glee Club and Junior Chorus.

The Glee Club, with the assistance of Mr. George A. DeLamater, has given many enjoyable performances at the annual spring concerts and at the assembly programs.

FOUR out of every five mornings of the school week, members of the Band and Orchestra can be seen tiredly taking themselves with their instruments to school at the sleepy hour of 7:30 A. M. They soon, however, snap out of their sleepiness, when Mr. G. A. DeLamater, their maestro, raises his baton and conducts a rehearsal.

These organizations have participated in the Spring Musical Concerts, assembly programs and football games.

Some very outstanding musicians have been produced by the Band and Orchestra. The excellent musicians who are leaving these musical organizations this term are Josef Wilkes, Peter Caruso, Marvin Juron and John Di Rito.

Frances Heidrich, their foremost accompanist, is now graduating. She has been with this organization since its origin. Her loyalty to the Junior Chorus will be an inspiration to all its members.

THE football season's in full swing! The band has been practicing for weeks. The fans are all in their seats, roaring for action! But wait . . . here come the majorettes!

This organization, under the strict and incomparable guidance of Mr. McDonald, has produced many outstanding majorettes. However, few can compare with the lovely drum major, Grace Dobbs, and the equally charming drum majorette, Joan Lapotosky, who are graduating this January.

These girls have proved their ability, not only in West New York, but also at West Point, where they demonstrated their excellence in marching and twirling. We are confident that they will continue to be a great asset to our school.

Come right in, and have your fortune told! Or would you rather have a bit of romance, at the marriage booth. Oh, Oh, be careful! Don't do that or you'll land in our jail.

Right this way, folks, for the H-2-O shooting gallery, the darts, and wet sponge throwing.

Ah, yes, friends, don't forget the dancing and the refreshments. Wouldn't you like to see the strangest collection of freaks the world has had in a 100 years:

The Wild Lady from Borneo	Mike LoBue
The Rope Charmer (seated)	Josef Wilkes
Beauty and the Beast	Pete Caruso Marvin Juron
Fat Lady	Vito Nuzzi
Thin Man	James Lynch
Bearded Lady	Rose Marie Cuviello
In upper left is our Barker	Arnold Adelson

Our first lady, Miss Borneman, and one of our deans, Miss Moreau, and two guests are in lower left, viewing the freaks.

We have a very-very-very-very special event for you, La-dies and Gentle-men:—three singers of world renown, our own robuskies, the Agony Sisters—Pete Caruso, Vito Nuzzi and Bob Wilson.

The Rains Came

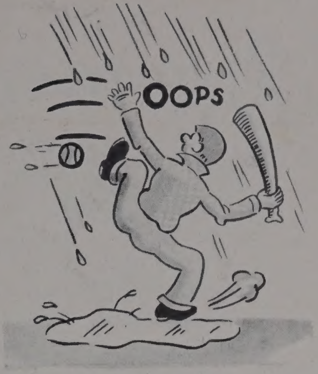
IT started when we were the Sophomore Class of Memorial High School. We had selected what we thought would be the ideal Sunday for a picnic. There had been much discussion before the decision; but we were firm, and **that** Sunday was to be the day. It came, and so did the rain. The heavens opened and poured forth with all its splendor. There was no Sophomore picnic.

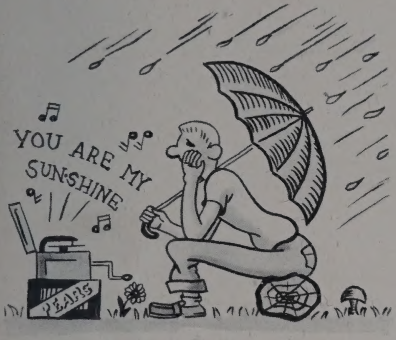
WE were the Junior Class of Memorial High School. What was it to be, a boat ride, a bus ride, or just a plain picnic? A bus cost too much, and our fellow students did not intend to waste their time on a boring boat ride. By the process of elimination, we decided to have our picnic. Needless to say, on the appointed day the humidity was quite high—so high, it didn't stop raining once. There was no Junior picnic.

PLINK
PLUNK

WE were the Senior "A" Class of Memorial High School. Ah, yes, never say die. Just a picnic, that's all, just an ordinary picnic is what we wanted. Did we ask for too much? We rose and "shined" at seven o'clock and went to church with our boots and umbrellas. There was no great time for us Seniors that day.

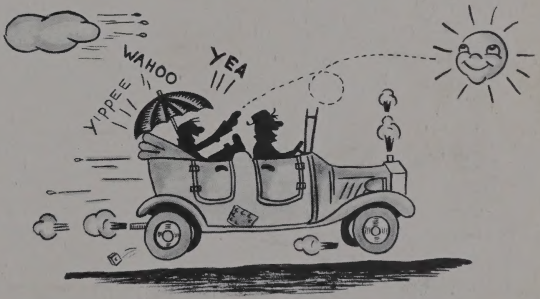
BUT, we were determined. "Next week it will be a lovely day", we blindly said, with our hopes risen high. Well, the following Sunday, it wasn't raining at 9 o'clock, so we dashed down to our meeting place and hustled to Interstate Park. We had a lovely time on a lovely day—for fifteen minutes.

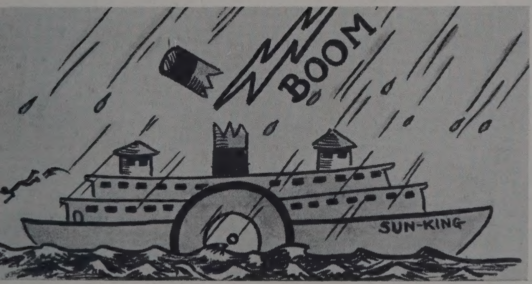




MAYBE the farmers were happy, but, believe me, we weren't farmers. Need I say it? Sweet springtime! Sweet showers! We sat under a shelter until it let up enough for us to board a bus home.

SUMMER time was nearing, and it was just a few days before school would be dismissed for vacation that our class selected the day for a boat ride to Bear Mountain. New swim suits were bought and cameras were stocked with film; but that dear morning when the day liner cruised up the Hudson River through fog and rain, there were no Seniors aboard.





"OH, well", some optimistic fellow sighed, "we still have five months of high school ahead of us.

Before we knew it, September had come and we thought we might make just one more try—at Interstate this time. Our hopes weren't very high, although the weather man predicted a beautiful day. We honestly had little faith left in him. Nevertheless, we again prepared for a picnic, also making plans for a rainy day. (I believe the movie to see was already decided upon). We were taking no chances this time. To the shock and jubilation of all of us, the sun actually shone and the class really showed up at the park.

Needless to say we had a wonderful time and we could honestly say we attended a class picnic—ALL DAY!

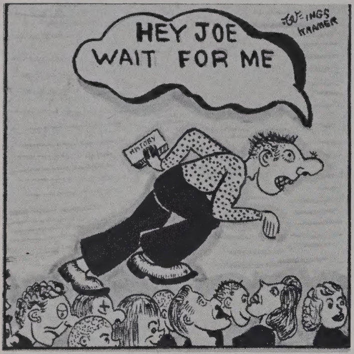
How Not to Graduate



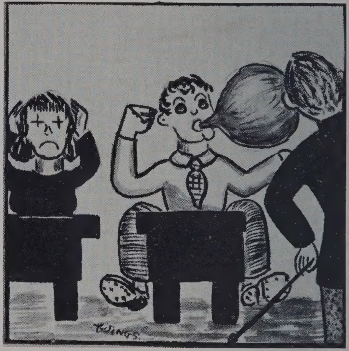
HEY JOE WAIT FOR ME
HISTORY

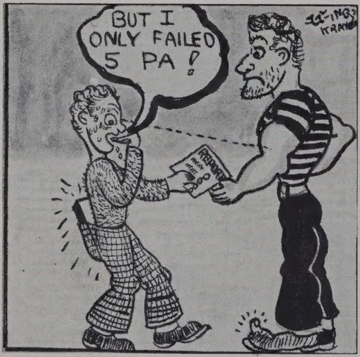
On the Matter of Passing to Classes

If you see your friend up at the other end of the hall, think nothing of calling out in your loudest voice, "Hey, wait for me!" and go running and pushing your way down the corridor.

On the Matter of Chewing Gum

Can you think of a better way to come to your teachers' attention than by chewing gum and cracking bubble gum in class.





BUT I ONLY FAILED 5 PA!

On the Matter of Report Cards

You got a few red marks?? Maybe three or four?? Well, why show your report card to Mom and Dad! You know what that would mean—Study—oh, horrors!—. Sign it yourself; they'll never know.

On the Matter of Tests

Don't forget to let your eyes wander to your neighbor's paper. That's a sure way of getting in good with your teachers.

History Award

BECAUSE of their deep interest in the social welfare of our community, the Abraham Lincoln Lodge of the Knights of Pythias organization has done much in the past few years to encourage the understanding of world events.

To accomplish its worthwhile aim, this organization began six years ago to present this distinguished plaque to the outstanding history student of each graduating class of Memorial High School.

An officer of this lodge, usually a past or present chancellor, is in charge of the presentation.

Citizenship Award

THIS year marks the tenth that the Thomas A. Swanwick Post of the Veterans of Foreign Wars has awarded to each graduation class two good citizenship medals.

The recipients of these awards—a boy and a girl—are chosen for their general and scholastic ability by a consensus of opinion of the senior home room teachers and the senior class teachers.

The award is made by an officer or a prominent member of the Thomas A. Swanwick Post at the graduation exercises.

JOSEPH COVIELLO
Head Coach

IN his second year at Memorial High School, Coach Joe Coviello has produced another hard-fighting, high-scoring eleven. Of importance too to the success of the team are Gene Luongo, an experienced line coach, and Jack Kotlow, Jayvee Coach.

At the season's inception many doubts were cast as to the ability of the team to follow in the steps of its predecessor.

These doubts were quickly dispelled, however, as the team surged on to victory over such formidable foes as Dickinson, St. Cecilia and St. Peter's Prep. The only blot on the squad's otherwise perfect record was a stunning upset at the hands of Emerson High by a score of 25-18.

Herb Hass, team captain; a duo of scatbacks, Jackie Raisch and Vinnie Egizi; masterminded by quarterback Ray Carlucci, have accounted for most of the team's scores. However, these backs could not have operated so efficiently without the aid of the hard-charging forward wall consisting of Dom Di Niro, Joe Kassouf, Joe Rinaldi, Jack Deracleo, Al Pentellere, Charlie Apkarian, and Bill Sharples.

Backing up the first team are such reserves as George Schirmer, Jim Purtill, Emil Sacher, John Mirabelli, Roger Peluso, Joe Testa, Hammy Hemburger, Ralph Di Michael, Bob Wilson, and Jackie McDonald.

DAVID KLEIN
Coach

WITH Jim Growney's being made athletic director at Memorial, Dave Klein, former assistant coach, has taken over the reins of the basketball team. We would like to extend our wishes for a very successful season.

Knowing Coach Klein as we do, we are sure he can turn out a team of which Memorial High School can be proud.

Mr. Klein is fortunate in having six varsity holdovers from last year's squad. These will be the mainstays of this year's team. They are Captain Tony Proietti, Whitey Ward, Bill Sharples, Matty Poljanic, Emil Skevin, and George Tucker.

This year's squad should be an aggressive, high-scoring outfit.

The J. V. will be coached by Tony Bocchieri, former Mem cager, currently playing at Panzer College.

Soccer

MEMORIAL HIGH'S soccer team, under the coaching of Sabe Nicolosi, has just completed a short, but tough, schedule against top-flight opposition.

The team got off on the wrong foot by losing to a powerful Kearny team by a score of 7-0. However, they quickly righted themselves by defeating Stevens Tech Jayvees, 2-0.

The scores of the remaining few games do not show the whole story behind them. With a few breaks, the Mems could have easily reversed these scores.

This year's team was led by Bob Sharples and Ed Koeser, who were ably assisted by Chester Medaska, Bill McKnight, Teddy Palamone, Bill Bullock, and Tony Romano.

Good luck to Coach Nicolosi and the rest of the team in the coming season.

Front Row: William Stockel, Donald Ende, Nick Saraceni, Clem Caso, Teddy Palamone, Chester Medaska, Warren Jameson, Anthony Faraldi, George Tucker.

Back Row: Coach Sabe Nicolosi, Jimmy Curtin, Joseph Bann, William Crane, Walter Bullock, Julio Romano, Bernard Novack, Robert Sharpies, Edward Koeser, William McKnight, James Ward, Phily Giordano, Joe Bartulovich, Manager.

Coach
John Cendo

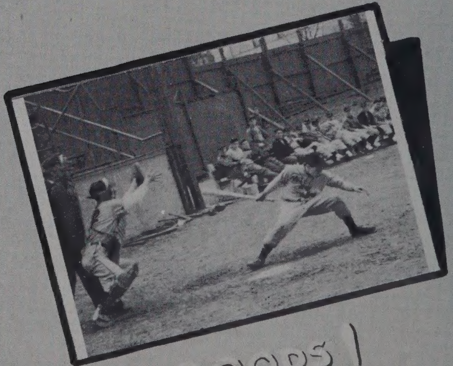
COACH JOHNNY CENDO, in his first year of coaching since his return from the service, produced a team that was runner-up to Ferris High School of Jersey City for the county baseball championship title.

Last year's team was a hard-hitting, excellent fielding nine, which was led by Captain Pat Grecco, slugging Eddie Lombardi, and Bob Aiello.

This year's team should give further evidence of Memorial's power on the diamond.

Those veterans who will form the nucleus of the next team are Tony Proietti, Bill Iannone, Bob Aiello, Ray Carlucci, Bob Testa, and Vinnie Campo.

We extend our heartiest wishes for a successful season.



Ooops!

Track

WITH Coach Jim Growney at the helm, Memorial's track and field team has completed another season. This will be Mr. Growney's last year as track mentor, since he has become Director of Athletics at Memorial.

The four members of the track team who are being graduated are Charlie Apkarian, Lou Giorgino, Vinnie Egizi, and Warren Kramer.

One of this foursome, Charlie Apkarian, has a most enviable record. In various meets throughout the state, he has placed among the top three no less than five times this year.

Last Memorial Day, he was first in North Jersey in shot put, with a distance of 48′ 7½″. He also came in first in the county in throwing the discus with a mark of 111′ 8″, and second in shot put with a toss of 47′ 1″.

Other meets in which he has won honors are the state meet at Rutgers, in which he finished second in shot put with a distance of 48, 7½″, and the State Invitational meet at Newark where he placed third, tossing the shot put '47′ 1″.

Those veterans who will be the standouts on the next team are Bob Bertone, Jackie Raisch, and Bob Satriano.

We would like to wish the new coach good luck for a successful season.

Tennis

LAST year Coach Jerry McInerney wielded together another topnotch net team for Memorial High School.

Although the record of six victories and five defeats does not appear impressive, the games that were won were an important factor in the team's capturing the runner-up spot in North Hudson.

Last year's squad was led by Captain Norm Frolow, Augie Vagts, Archie Adelson, Jack Famularo, Haig Thompson, and Wes Colburn.

The graduating class of January 1948, wishes this year's tennis team the best of luck in the coming campaign.

T-E-A-M, Yeh team!

SEVEN enthusiastic girls can be heard raising their voices in a cheer that will urge our team on to victory.

We are certain that none of these games would be quite so successful without the loyal support of these girls; their managers, Audrey Hamilton and Bertha Ziegler; and their mascots, Dorothea Curry and Patricia Growney.

Participating in the varsity squad are: co-captains, Ruth Shelley and Eileen Furlong; Phyllis De Camillo, Lorraine Leininger, Leona Masterson, Gloria Rohr, and Claire Waters.

In addition to the varsity team, Miss Eileen O'Connor, their devoted and active faculty adviser, has organized a group of J. V. cheerleaders.
